

Prabhavati Dwabha,
the founder and director of

Ramana's Garden in India,

will be here to share her warm presence and amazing story at two DC-area locations. Ramana's Garden India is a marvelous refuge for abandoned orphans and children of the poorest of the poor. Discover more about it at our beautiful US charity website, www.friendsramanagarden.org.

Prabha will speak and answer questions at both events. Meet Prabha in person and enjoy a fun evening of connection and loving spirit.
